CAB Architecture Sub-committee
Status Report
April 28, 1997

Scope of Committee

To develop and recommend architectures for the state's information technology infrastructure.

Action items

Have prepared the Electronic mail for its first reading to CAB members on 4/28/97. The architecture is scheduled for final adoption at the May 27 meeting

Committee has started to work on a:
- Common Network Architecture - Dale Putnam, DOC, 753-3971
- Defining a set of statewide business drivers - Sue Hollowell, DOL, 586-2037
- Defining a set of "common sense" business practices - Christine Johnson, DSHS, 586-2037

Documenting the approval processes for CAB and DIS and how CAB recommendations will be implemented.

Preparing a recommendation on how Special Interest Groups should be linked to the CAB.

Coordinating efforts with ACCIS.

Committee has been asked to consider developing architectures for:
- Intranets
- Security
- Homepage Meta tags to support the GILs project.

Scheduled meetings dates:

May 7	3:30 - 5:00 pm	Insurance Bldg. 4th floor conference room
May 21	3:30 - 5:00 pm	Insurance Bldg. 4th floor conference room
June 4	3:30 - 5:00 pm	Insurance Bldg. 4th floor conference room
June 19*	3:30 - 5:00 pm	Insurance Bldg. 4th floor conference room

* Denotes date, time, or location change

CAB Homepage

The CAB's Homepage is supported by Paul Taylor pault@dis.wa.gov at DIS. The CAB Homepage can be found at http://www.wa.gov/dis/scpd/scpdcab.htm.
